First item on the agenda is student enrollment. Student enrollment is down for the 2017-2018 school year. Mrs. Dornon stated that first grade enrollment is about the same, second grade is down about thirteen students, third grade is a large class, fourth grade is down, and fifth grade is about the same as last year. Dornon shared a flyer on the Fairview Facebook page showing what our school has to offer, which includes our new technology and Chromebooks for every child 3rd-5th grade.

Mrs. Dornon had a meeting with Lauren Burnside about funding and SBDM money allocations. With enrollment being down, staffing needs to be considered. So one of our kindergarten teacher aides is taking a position at central office. Terri Hood is being promoted to Transportation Director.

The second reading of the field trip and school party policy was voted on and was a unanimous decision.

A charge was sent out to the Academic Committee for the review of Policy 6.1 and 7.1 on the Writing Policy. The committee will present the policy at the next meeting.

The members of the council unanimously approved the note taking pay for Laura Sparks for Site Based meetings. All members also approved the pay for Jerelyn Grant for News Crew.

The members discussed a policy change for public comments during a SBDM meeting. If someone wishes to discuss something with the members, they must come address it with Mrs. Dornon first. The person who wishes to speak only has 2-3 minutes to talk during the meeting. The members will have a second reading at the September meeting.
